The Owen children long ago left their family home in Point Clear, Alabama, in favor of points north. But when their father takes ill, the youngest, Bonnie, who has spent a decade in Manhattan as an unsuccessful actress, returns to care for him. Soon after his death, Bonnie falls in love with and marries a handsome evangelical preacher.

When they receive Bonnie’s letter announcing her marriage, her brother and sister head for Alabama, believing they must extricate their troublesome sister from her latest mistake. Little does her new husband know that Bonnie’s brother, Morris, is gay and “hubby” quickly undertakes a campaign to save him.
